

Homeostasis (HOM) 2023-24

Length time candidates have for the paper.

HOM 1 (theory) 1 hour

HOM 2 (experimental practical) 1 hour

HOM 2P (histology) 1 hour

HOM 3 (essays) 2 hours

How many questions the paper has, and how many should be answered.

HOM 1 (theory) 60/60

HOM 2 (experimental practical) 40/40

HOM 2P (histology) 30/30

HOM 3 (essays) 5/2

The type of questions asked (MCQ/short answer/essay).

HOM 1 (theory) MCQ

HOM 2 (experimental practical) MCQ

HOM 2P (histology) MCQ

HOM 3 (essays) Essay

How many marks each question is worth.

HOM 1 (theory) 1

HOM 2 (experimental practical) 1

HOM 2P (histology) 1

HOM 3 (essays) 20 each

...but subject to weighting of individual papers, see below.

The weighting of the paper for both 2nd MB/Vet MB and Tripos, for that subject.

HOM 1 (theory) 2nd MB: 60%, Tripos 30%

HOM 2 (experimental practical) 2nd MB: 20%, Tripos 10%

HOM 2P (histology) 2nd MB: 20%, Tripos 10%

HOM 3 (essays) not in 2nd MB, but Tripos 50%

2nd Vet MB as 2nd MB
