

Human Reproduction 2023-24

The examination will test knowledge and understanding of the material contained in the Human Reproduction course.

The examination in Human Reproduction shall consist of:

- i. a written paper of one hour, which shall contain short answer questions (Section I)
- ii. a practical examination of one hour (Section II);
- iii. one written paper of one-and-a-half hours, which shall contain essay questions (Section III).

All three sections contribute to the Tripos mark in the proportions: Section I, 30%; Section II, 20%; and Section III, 50%.
